

REMARKS

Claims 1-6 & 8-12 stand rejected, Claim 7 is objected to, and Claims 13-15 are withdrawn. This response amends Claim 1, cancels claims 2, 3, and 7, and also cancels withdrawn claims 13-15.

The Examiner indicated Claim 7 would be allowable if rewritten in independent form including all limitations of the base claim and all intervening claims. The Examiner's indication of allowable subject matter is appreciated.

Claim 1 is amended to include the limitations of Claims 2, 3, and 7. No new matter is added.

Applicant respectfully disagrees with the Examiner's rejection of Claims 1-6 and 8-12 as previously presented. However, to further prosecution, Claim 1 is amended to include all the limitations of claims 2, 3, and 7. This amendment is made without prejudice to Applicant filing one or more continuation applications directed to claims originally or previously presented. All previous arguments are maintained.

Accordingly, it is respectfully urged that the application is in condition for allowance.

Respectfully submitted,

/Gerry Gressel/
